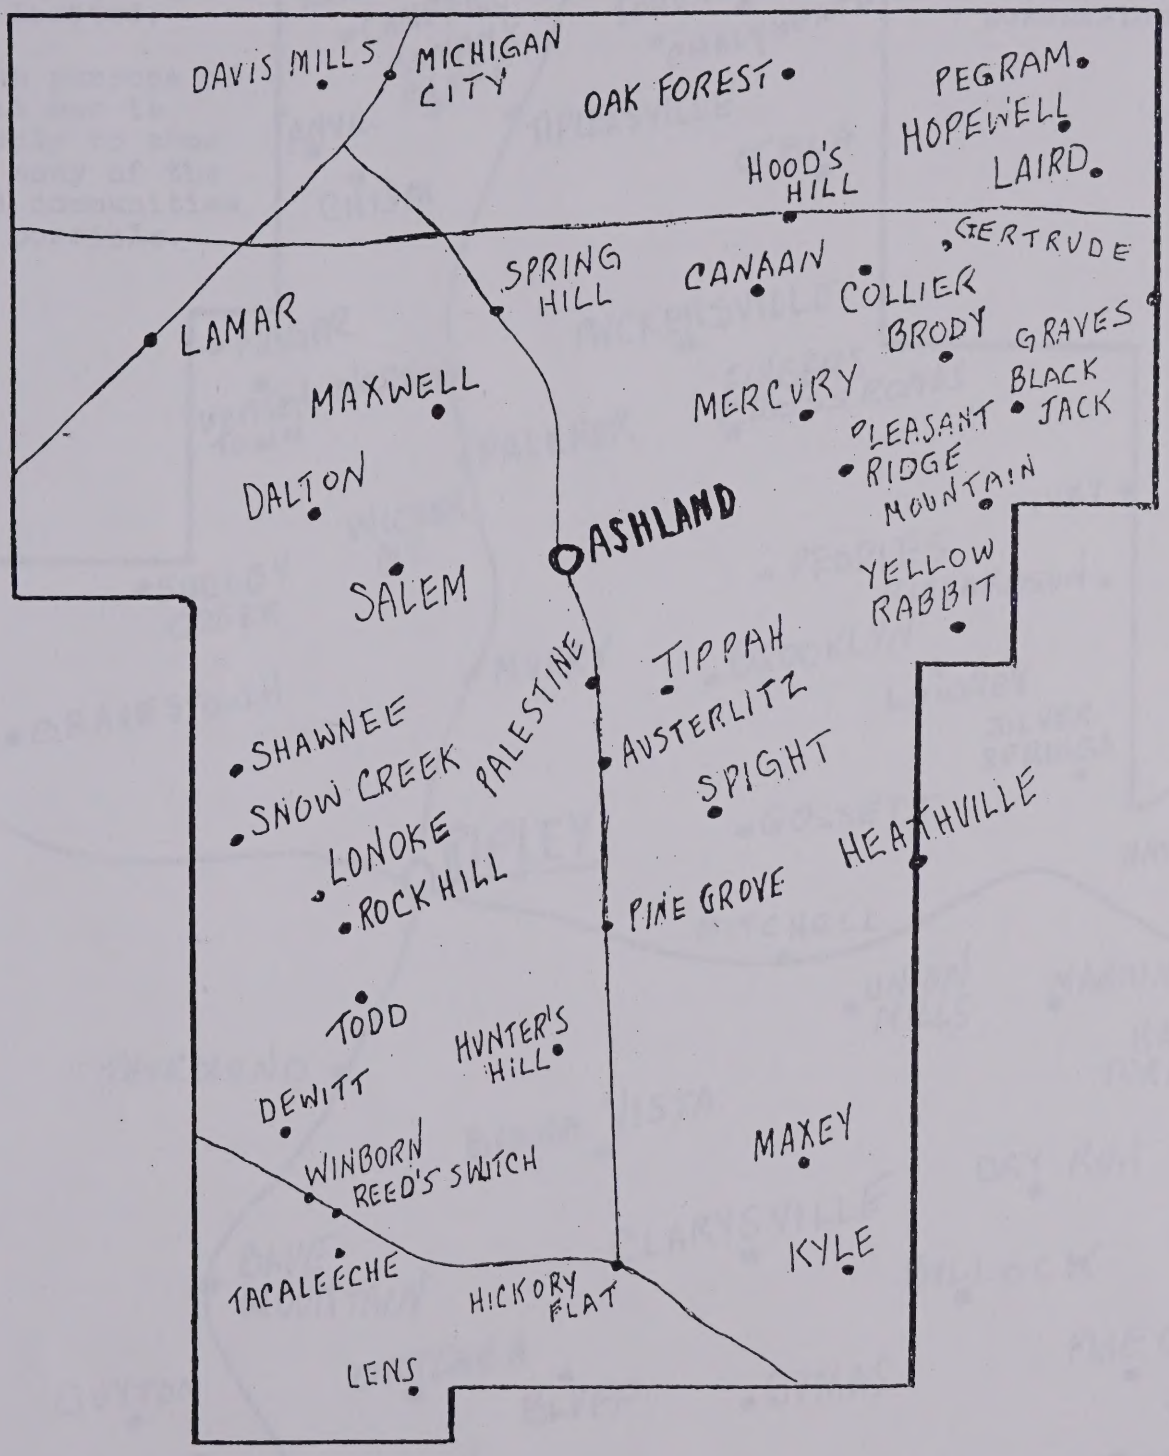
BENTON COUNTY ... YESTERDAY

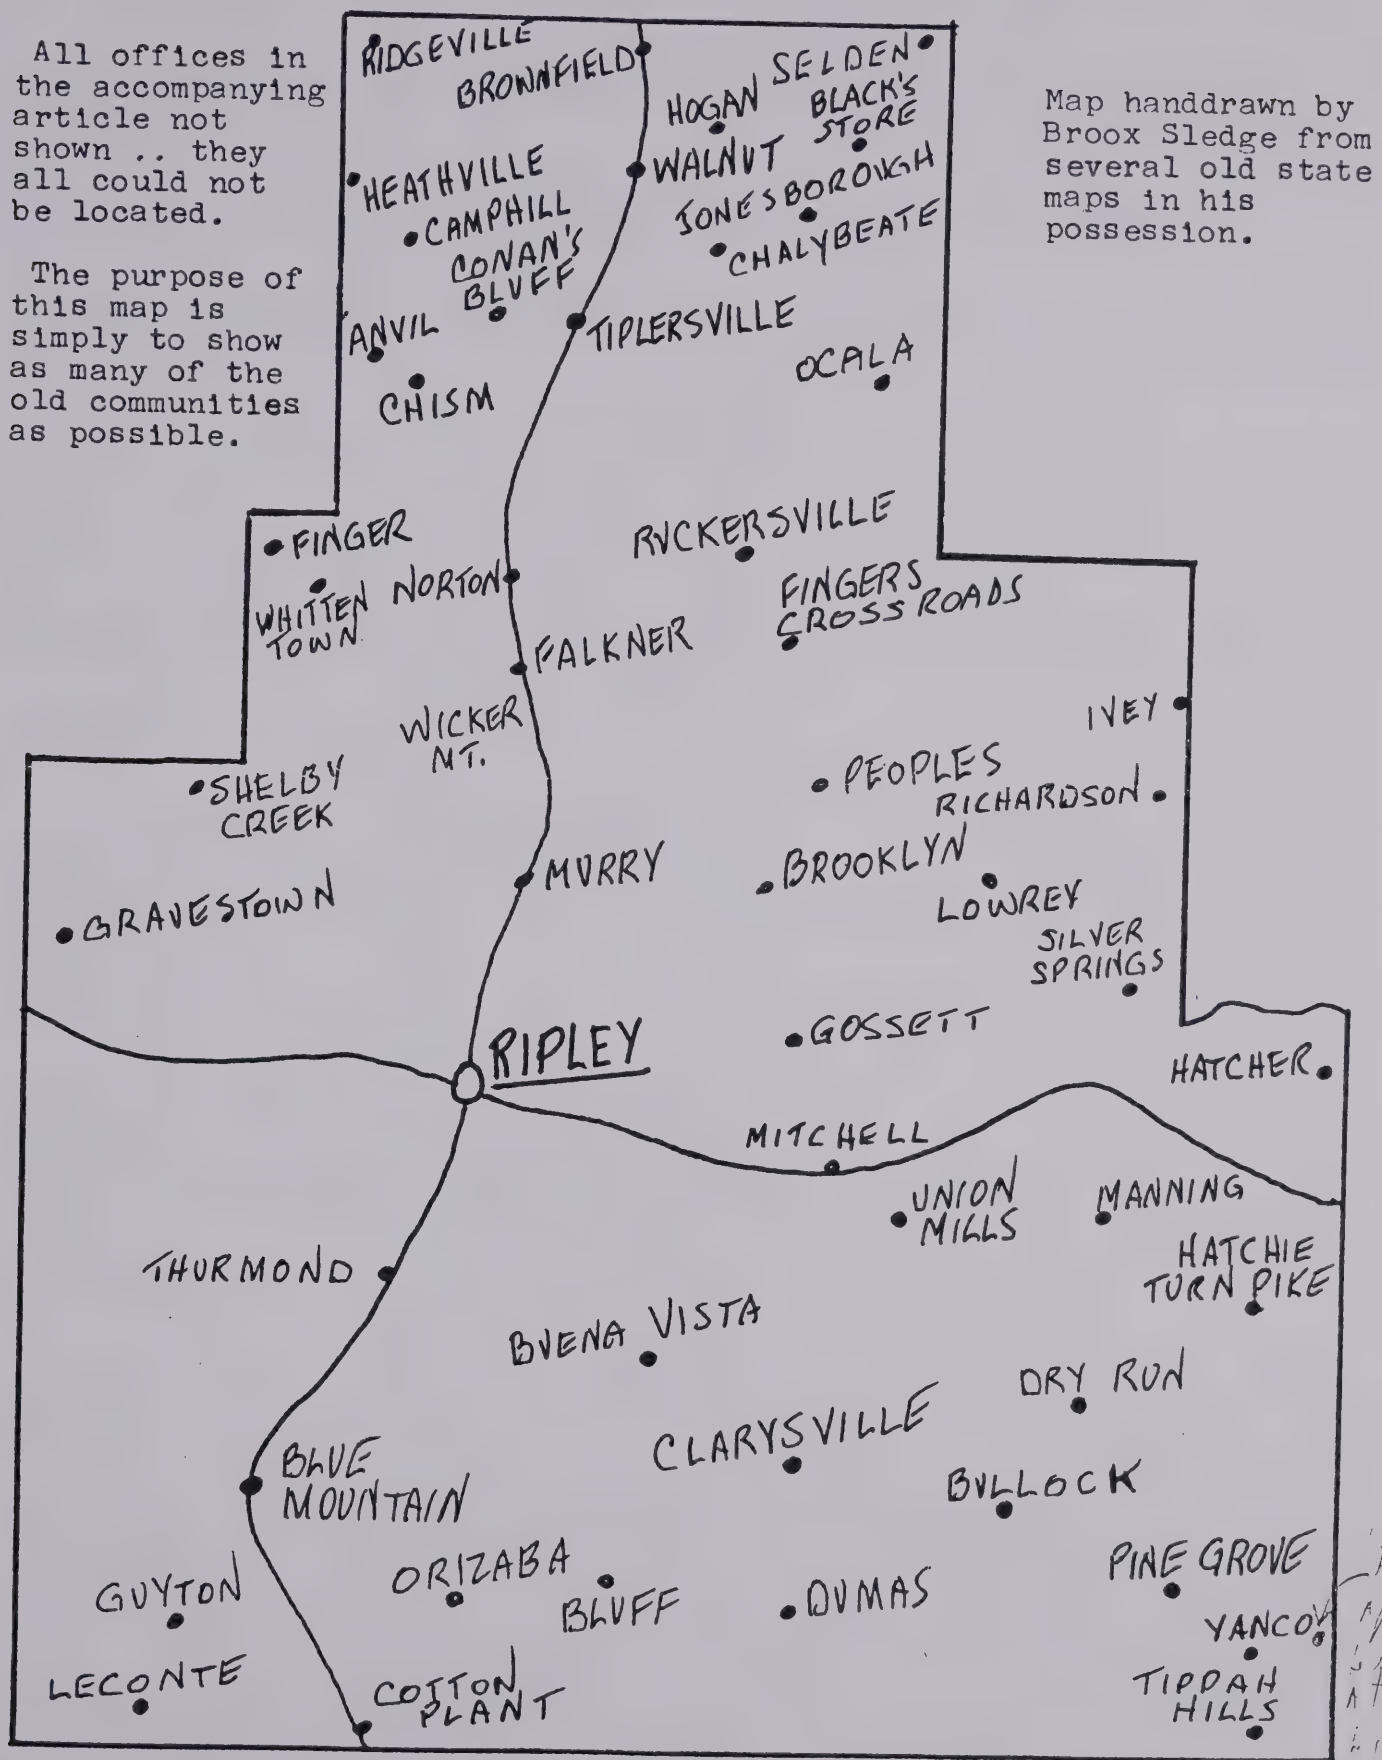
This map was handdrawn from several old Mississippi maps. It is not to be taken to be totally geographically accurate. It is included simply for the purpose of approximately locating as many old communities and post offices as possible. Some of the offices listed in the article are not on the map because they could not be located.



TIPPAH COUNTY.... YESTERDAY

All offices in the accompanying article not shown .. they all could not be located.

The purpose of this map is simply to show as many of the old communities as possible.



Map handdrawn by Broox Sledge from several old state maps in his possession.

Description:
Containing records for approximately 123 million Americans, the 1930 United States Federal Census is the largest census released to date and is the most recent census available for public access. The census gives us a glimpse into the lives of Americans in 1930, and contains information about a household's family members and occupants including: birthplaces, occupations, immigration, citizenship, and military service. The names of those listed in the census are linked to actual images of the 1930 Census.
